

Connected RTS motorization
FOR TILTING SLAT PERGOLAS

Finally a complete solution for **outdoor living**

Make life easy for yourself...

Somfy provides a complete solution:

Pergola Tilt 24V Motor

Solution to control the motor, orient the slats, lower the screens, manage the sensors, etc.

Pergola Tilt RTS Receiver

Somfy myLink™ and Tahoma®

designed for pergolas with tilting slats

Control Pergolas using your tablet, smartphone or voice. Create timed events, scenes and more!

MAXIMIZE OUTDOOR LIVING SPACE

- Fitted with Radio Technology Somfy® (RTS) for simple, reliable, accurate adjustment
- Create livable spaces for any season
- Operate slats, LED lights and screens with a single tap of a device or with voice commands
- Familiar RTS protocol used on awnings, screens and shutters

... add intelligence to your pergolas

A pergola that acts independently, and responds with one click, according to the weather and the user preference...

CENTRALIZE

Situo® RTS
In perfect harmony with your outdoor decor

CONTROL REMOTELY

myLink™
Always keep an eye on your equipment, manage the unexpected and create ambience.

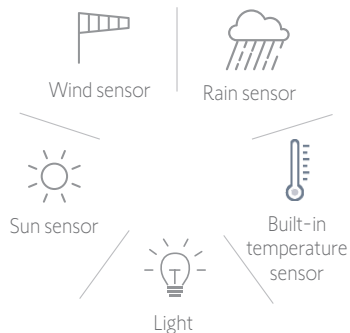

TaHoma®

AUTOMATIC

Automated sensors ensure comfort and convenience, and provide protection from the weather.

Add **value** to your offer...

More than just motorization, you can now connect pergolas to enhance your offer. Stand out in an increasingly growing market by bringing the complete solution for outdoor living space.

Play the art of living card all year round

A pergola design is an expression of longing for greater comfort in life and a connection to the outdoors. With the complete Somfy system, you are offering your customers year-round comfort with a simple, tailor-made solution.

About Somfy

SOMFY® has been improving everyday life for more than 270 million people by designing and manufacturing intelligent motorization solutions for interior window coverings and exterior solar protections. Somfy innovates to automate and connect shades, blinds, draperies, awnings, rolling shutters, exterior screens & pergolas for commercial and residential buildings in 58 countries across the globe. With 170+ million motors produced over the last half century, Somfy is committed to creating reliable and sustainable solutions that promote the best way of living and well being for all.
