

The Ultimate Outdoor Living Space Powered by Somfy

MOTOR SYSTEMS

Sunea™ RTS CMO

- For use with cassette, semi-cassette and standard awnings

- Built-in Radio Technology Somfy® (RTS)
- Simplified setting with torque sensing limits

- Manual override
- Fabric always properly stretched
- Perfect cassette closure and optimum fabric protection

CONTROL OPTIONS

Telis 4 Soliris Patio RTS

- Four channel remote control + wind/sun protection control
- One remote control can operate the awning, heater, and sun sensor
- Shock and water resistant

DecoFlex WireFree™ RTS 5 Wall Switch

- Personalized control of awnings and outdoor accessories
- Available in 1,2,3,4 or 5 channel versions
- Choose from three colors - white, ivory or black
- Battery powered wall switch for simple installation

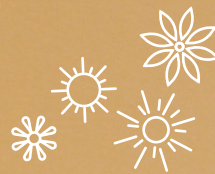

TECHNOLOGY

Radio Technology Somfy®

RTS, quick and easy to install

- Secure radio technology
- No wiring constraints
- Additional functions can be added at any time without reconfiguring the installation

Awnings The Somfy Way

As easy to install as they are to enjoy

AUTOMATIC WEATHER MANAGEMENT SYSTEMS

Added value products that are easy to install and provide comfort all year round.

Eolis 3D WireFree™ RTS

- Installed discreetly on the end of the front bar
- Easy wireless installation
- Automatically retracts the awning with the detection of wind generated movements
- Easy to program
- Maintenance free, long life batteries

Sunis WireFree™ RTS

- Solar powered sun sensor
- Easy wireless installation
- Automatically extends when the programmed sunlight threshold is reached
- Compact design allows for discreet mounting
- Maintenance free
- Telis Soliris RTS remote recommended to control ON/OFF function

Heater RTS

- Turn infrared heat bar on and off with the same remote used to control an awning
- 1500 watt
- Compatible with the Telis RTS range of transmitters and the DecoFlex WireFree™ RTS wall switches
- Mounts on tension bar with bracket for use under awning

Outdoor RTS Lighting Receiver

- Control patio or deck lights with the same remote used for the awning
- Controls incandescent, halogen lights or any outdoor device up to 500W
- Fully compatible with the Telis RTS range of transmitters and the DecoFlex WireFree™ RTS wall switches

Call for Heater RTS availability.
